GIRL-SCOUTS

Hi ! I’m Florence and I prepare our Guide group, with Diane and Mathilde (on the photo, from the left to the right : Florence – Diane – Mathilde). The 3 of us are studying in Brussels and we are leading a scout group of 11 girls, age of 16-17 yo. We are all very impatient to live this camp with you ;)

I am 22 years old and I am a scout animator since 5 years now, I really love that ! I also love music and travelling, wich made me aware to different causes like ecology or men-women equality. I think this camp will all allow us to enrich our knowledge and opinion about women rights. See you soon!
